

GREENLIGHT RISK COVER PREMIUMS

At Old Mutual, we understand that your needs are constantly changing and sometimes your budget gets a little tight, so we've put together some **TIPS & TRICKS** to help make your **GREENLIGHT** Risk Cover premiums more affordable.

1 COMPLETE AN ENDURANCE EVENT

Save 10% on your premiums if you complete a qualifying endurance event within a specified time*.

2 QUIT SMOKING

If you were a smoker when you applied for cover, and have since stopped smoking for longer than 12 months, let us know and we will reduce your premiums.

3 USE YOUR SPOUSE'S IRP RATING

You have the option of using your spouse's IRP rating, if it is higher than yours, to help you reduce your premiums.

4 CHOOSE AN AFFORDABLE PREMIUM PATTERN

You can choose a premium pattern (Progressive, 5% or Level) that will suit your budget. Remember, you can always change your premium pattern if your needs change in future.

5 GET A DISCOUNT FOR BEING A PROFESSIONAL

Save up to 15% on your Life Cover premiums if you work in a profession that you qualified in.
